

Tcollege

Benefit from international growth in the education market as one of our partners

good at school
● better in life

Tcollege offers pupils at all levels and in all subjects support alongside classwork for their educational career, giving them a better start in their professional life and a successful future.

We are looking for:

- People with an entrepreneurial mindset (bachelor's degree and equity an advantage) who wish to participate in the growing education market, working with a professionally managed organization as our country representative (master franchisee).

We can offer:

- Incorporation into an efficient and solid **franchise system**
- Pleasant and creative working atmosphere
- **Skilled consultation** in the planning and starting phase
- Ongoing coaching
- Continuous further development and training
- **Efficient tools** for business management, marketing, administration and educational science
- Location advice

SWISS QUALITY EDUCATION
with tried and tested educational strategy
